Instructions

1. You are entitled to assert a claim of business confidentiality covering any part or all of the information you submit. If you desire to assert a claim of business confidentiality, please see Enclosure A, *Business Confidentiality Claims/Disclosure of Your Response to EPA Contractors and Grantees*. You must clearly mark such information by either stamping or using any other form of notice that such information is a trade secret, proprietary, or company confidential. To ensure to the greatest extent that your intent is clear, we recommend that you mark as confidential each page containing such claimed information.
2. Please provide a separate, detailed narrative response to each question, and to each subpart of each question, set forth in this Information Request. If you fail to provide a detailed response, EPA may deem your response to be insufficient and thus a failure to comply with this Information Request, which may subject you to penalties.
3. Precede each response with the number of the question or subpart of the question to which it corresponds. For each document or group of documents produced in response to this Information Request, indicate the number of the specific question or subpart of the question to which the document(s) responds.
4. Should you find at any time after submission of your response that any portion of the submitted information is false, misrepresents the truth or is incomplete, you must notify EPA of this fact and provide EPA with a corrected written response.
5. Any terms that are used in this Information Request and/or its Enclosures that are defined in CERCLA shall have the meaning set forth in CERCLA. Definitions of several such terms are set forth in Enclosure C, *Definitions*, for your convenience. Also, several additional terms not defined in CERCLA are defined in Enclosure C. Those terms shall have the meaning set forth in Enclosure C any time such terms are used in this Information Request and/or its Enclosures.

d. Have the terms described in response to Question 8c changed since you began leasing the Property? Describe all changes in detail.

9. Identify all hazardous and non-hazardous waste streams generated by you during your operations at the Property. *none*

10. Describe your waste disposal practices for each waste stream identified in Question 9. Your response should include how each such waste stream was stored prior to disposal, the method in which each such waste stream was disposed, the entity or person that transported each such waste stream and the name of the disposal location for each such waste stream. *does NOT apply*

11. Provide copies of all documents generated or maintained by you concerning handling and/or generation, storage, treatment, transportation, recycling, formulation, or disposal of any hazardous substance, hazardous waste, pollutant, contaminant, or other waste. If documents no longer exist:

a. Provide a description of the information included in each type of document and identify the person who was/is the custodian of the documents;

b. Describe any permits or permit applications and any correspondence between your business and any regulatory agencies regarding the transportation and disposal of such wastes; and *does NOT apply*

c. Describe any contracts or correspondence between your business and any other company or entity regarding the transportation and disposal of such wastes. *does NOT apply*
